LEGION SHOWS BIG GAINS PAST YEAR

Indianapolis, Ind., Jan. 18-The American Legion entered the year 1921 with twice as many members and 3,417 more posts than it had January 1, 1920, according to official records at National Headquarters at Indianapolis. In even greater ratio was the gain of the Woman's Auxiliary, which started the year with 50 units and 5,000 members and finished with 1,695 units and a total of approximately 200,000 members.

The unusual increase in Legion posts was characteristic of every state department and likewise in the overseas departments where there is apparently small chance for expansion. New posts were formed in the following foreign countries: Argentine Republic, 1; Belgium, 1; Chile, 1; China, 1; Guatemala, 1; Japan, 2; Poland, 2; Samoa, 1; Santo Domingo, 1;
